Student Engagement Strategies!

Create your own slide with a visual representation of the student engagement strategy. Use the notes at the bottom of the slide to explain how to use the strategy in your classroom.

I'm the Teacher
Students work with a partner. They take turns acting as the teacher and student. The "teacher" questions the "student" on a given topic (story elements, spelling words, words, definitions, math facts, etc.)

10
Check for Understanding
Partners share a book. They take turns reading a paragraph or page, depending on the length of the text. After one student reads, his/her partner must recall what was read. First graders begin with, "I just heard you read...". They
